 JN TATA Auditorium Complex, National Science Seminar  
Complex, CV Raman Rd, Kodandarampura, Malleshwaram,  
Bengaluru, Karnataka 560012

# BROCHURE

# WELCOME TO ISACON KARNATAKA 2024

**Dear esteemed colleagues,**

It's indeed an honor to conduct the 38th Annual State Conference of the Indian Society of Anaesthesiologists (ISA) Karnataka Chapter, in the capital and much-happening garden city Bengaluru from 9th to 11<sup>th</sup> August 2024.

The field of Anaesthesia is a rapidly growing branch taking giant strides in not only making complex surgeries safe for the patients but also relieving pain and imparting expertise in managing the critically ill. In the pursuit of achieving these goals, there has been a sea of change in patient management by the inculcation of technology and innovation into medical practice, more so in the field of anesthesia. It becomes imperative that the anesthesiologists are geared up to the challenge of understanding these intricacies and adopting them to ensure the safe and ethical practice of anesthesia.

The scientific sessions are curated keeping these things in mind so that the faculty, practitioners, and postgraduates are benefited alike. There will be a display of various equipment embracing the latest technology by various industrial players to keep the delegates abreast of the latest advances.

The conference not only focuses on the scientific dimension but also addresses the various aspects of professional and social life. So, mark your dates and join us to be a part of this holistic event.

**We are delighted to invite you to this scientific extravaganza.**

**With regards,  
Organizing Team**
