JN TATA Auditorium Complex, National Science Seminar Complex, CV Raman Rd, Kodandarampura, Malleshwara, Bengaluru, Karnataka 560012

WORKSHOP - 2

COURSE NAME: AIRWAY WORKSHOP – BURSTING MYTHS AND LEARNING FACTS

COURSE DIRECTOR:

Dr. Arathi B.H

COURSE CO-ORDINATOR:

Dr. Shashidhar GS

BRIEF OUTLINE AND OBJECTIVES OF THE WORKSHOP:

A workshop on basic and advanced airway management designed specifically for young budding Anesthesiologists and full-time practitioners would provide with an opportunity to learn and develop airway management skills and techniques. Expert and supportive faculty will provide an interactive and hands-on learning approach enabling you to develop core technical and nontechnical skills in airway management. This workshop will cover all aspects related to airway management which includes supraglottic airway devices, awake fiberoptic intubation, videolaryngoscopy, front-of-neck access, lung isolation techniques, airway ultra sound and jet ventilation.
